looking up from under neath

As before I went under

And its peaceful in the deep
cause either way you can not

breathe no need to pray
no need to speak
Now I'm under
and its breaking over me

A thousand miles down to the sea bed

I found the place to rest my
never let me never let me go

never let me go never let me go

And the arms of the ocean are

And all this devotion was

ru shing o ver me and the ques tion of heave n for
sinner like me but the arms of the ocean deliver me

And its over And I'm going under But I'm not
giving up I'm just giving in Awooowoah

Slipping underneath So cold so cold but so sweet in the

arms of the ocean so sweet and so cold and
Though the pressure's hard to take,
It's the only way I can escape,
It seems a heavy choice to make,
Now I am under, oh

And it's breaking over me,
A thousand miles down to the sea bed,
I found the place to rest my head.

Never let me go, never let me go.
Never let me go, never let me go.

And the arms of the ocean are carrying me,
(so cold and so sweet)
And all this devotion was rushing over me,
And the question to heaven, for a sinner like me,
But the arms of the ocean deliver me.

Never let me go, never let me go.
Never let me go, never let me go.

Deliver me.
